C	MULTIMOIST CLR™	FRUCTOOLIGOSACCHARIDES, BETA VULGARIS (BEET) ROOT EXTRACT, WATER	CLR	3,00
				100,00

Operating instructions

Operating Instructions

Add Water, dissolve under stirring (~200rpm) and trickle Tylose slowly into the water. Let it stir for ~ 60 min at max. 100 rpm. Add B in the given order and stir until uniform. Add C one after another and stir until homogenous.

Directions for use:

Spray on the face. Apply in the morning and evening on cleansed skin before your usual routine.

The recommendations and formulations given are based on our knowledge and experience in the field of technical application.

They are, to the best of our belief, correct, but are offered without obligation.

Those who use our recommendations and formulations as well as those who process CLR Active Agents are themselves responsible for the adherence to prevailing statutory regulations and the observance of patent rights as well as other protective rights for other companies.

This formula has been manufactured and stability-tested using a special preservative, but has not been subjected to microbiological challenge tests.
