

CLR Formulation Concepts

Pure Balance Overnight Scalp Oil

Dandruff goes hand in hand with inflammation and an oily and irritated scalp. Itching scalp interrupts a relaxing and deep sleep during night. To effectively soothe the irritated scalp and to act on the core problems of dandruff, applying an overnight scalp treatment is an intelligent approach. **CutiBiome CLR** reduces scalp itch and ensures a relaxing sleep. It potently reduces scalp oiliness and dandruff. **Calendula Oil CLR** and **Carrot Oil CLR** support CutiBiome CLR in its work. This scalp oil is easily absorbed and leaves a non-greasy feeling on scalp.

Directions for use:

Apply the oil to the scalp in the evening and massage gently. Leave on overnight, wash your hair in the morning as usual. Use the oil 2–3 times a week.

Featured Products

CutiBiome CLR – Calibrating the skin's ecosystem

CutiBiome CLR is a synergistic complex of lipophilic extracts from manuka, black pepper and magnolia. It provides essential support for the natural balance between skin and its microbiota in difficult situations, like acne and dandruff.

CutiBiome CLR reduces the film forming activity and significantly inhibits the growth of virulent phylotypes of Cutibacterium acnes. It strongly reduces inflammation involved in acne and dandruff. Sebum, comedones, pustules and pimples are reduced dramatically, as was confirmed by instrumental determinations and the volunteers themselves. Other *in vivo* studies showed potent reduction of dandruff. 4 weeks of 3 times weekly use of a hair tonic with CutiBiome CLR lead to similar results to Piroctone Olamine, but clearly outperformed it in reducing scalp oiliness, sensitivity and itch.

Dosage: 1.5–3.0%

pH range: 4.0–7.0

INCI Name:

Octyldodecanol, Leptospermum Scoparium Branch/Leaf Oil, Piper Nigrum Seed Extract, Magnolia Officinalis Bark Extract

Calendula Oil CLR – Soothing and calming

Calendula Oil CLR is particularly suitable for skin and haircare concepts where soothing and calming properties are valued, such as baby care, care for sensitive skin, elderly skin and irritated scalp. Calendula has been extensively used in both traditional and modern medicine for its well-described anti-inflammatory properties.

Calendula Oil CLR is obtained by an extremely mild extraction of the blossoms of *Calendula officinalis* in stabilized soybean oil.

Dosage: 3.0–10.0%

INCI Name:

Glycine Soja (Soybean) Oil, Calendula Officinalis Flower Extract, Tocopherol

Carrot Oil CLR – Before, during and after the sun

Carrot Oil CLR is especially suitable for anti-aging skin care, sun and after-sun care, and all skincare concepts for obtaining an even and harmonious skin color. Carrots are renowned for their high content of β -carotene, which is further enriched in Carrot Oil CLR to obtain optimal results for the skin, providing skin with much needed protection.

Carrot Oil CLR is a lipophilic extract of *Daucus carota sativa* in stabilized soybean oil, enriched with anti-oxidative β -carotene to 3,300 IU/g.

Dosage: 0.5–5.0%

INCI Name:

Glycine Soja (Soybean) Oil,
Daucus Carota Sativa (Carrot)
Root Extract, Beta-Carotene,
Tocopherol
