| D | Perfume Sensual Beauty 408 | Fragrance | IFF | 0.21 |
| | | | | 100.00 |

Operating Instructions

Predisperse the Solagum, then add other ingredients of B. Heat up A /B to 85°C separately. Add A to B under stirring and homogenize for 3 minutes. Cool down while stirring. Add C below 30°C and stir until uniform. Add D as desired.

Directions for use:

Apply over clean skin in a thin layer. After 10 minutes, lightly massage residues into the skin or wipe away with tissue.

The recommendations and formulations given are based on our knowledge and experience in the field of technical application.

They are, to the best of our belief, correct, but are offered without obligation.

Those who use our recommendations and formulations as well as those who process CLR Active Agents are themselves responsible for the adherence to prevailing statutory regulations and the observance of patent rights as well as other protective rights for other companies.

This formula has been manufactured and stability-tested using a special preservative, but has not been subjected to microbiological challenge tests.
