

I'm A Champion Relaxing Body Balm

As a champion, you have to give your best. And your skin can suffer from time to time. The **I'm A Champion Body Balm** gives your skin everything it needs so that you can give your all.

ProRenew Complex CLR™ safeguards the skin's ecosystem and improves overall skin quality and health. The gentle warming effect of the balm helps to relax the muscles. The relaxing effect is supported by **AnnonaSense CLR™**. It establishes a sustainable homeostasis in the skin, reduces stress and improves overall wellbeing.

Directions for use: Apply generously on affected skin and massage into the skin.

Featured Products

ProRenew Complex CLR™ – Postbiotic support for skin and its microbiota

ProRenew Complex CLR™ acts on essential features in the aging process of the skin, its ability to successfully adapt to a constantly changing environment and to effectively renew itself.

ProRenew Complex CLR™ positively influences the speed and quality of epidermal growth. It has shown to effectively promote desquamation, the shedding of dead cells. ProRenew Complex CLR™ is beneficial for both the health of skin and the skin microbiota. It balances and protects the skin microbiota and supports it in dealing with day-to-day stress.

Dosage: 3.0%
pH range: 4.0–7.0

INCI Name:
Lactococcus Ferment Lysate

ProRenew Complex CLR™
is preserved with sodium benzoate.

Also available as
ProRenew Complex CLR™ NP,
stabilized with phenylpropanol and
levulinic acid/sodium levulinate.

AnnonaSense CLR™ – Decoding the skin-mind connection

As a neurocosmetic active ingredient, AnnonaSense CLR™ acts at the top of the hierarchy of the skin's immune system. As an agonist for the CB2 receptor it reduces TRPV1-induced and other inflammatory processes. AnnonaSense CLR™ has a strong influence on the entire skin-brain-endocrine feedback loop. It perceptibly improves the look and comfort of skin and it reduces psychological stress and improves quality of sleep. Consequentially, it reduces the production of cortisol inside the body and, lastly and making this loop complete, it acts against the negative effects of systemic cortisol on skin by improving skin health.

AnnonaSense CLR™ is a natural and upcycled ingredient. It is obtained from *Annona cherimola*, common name Cherimoya, an edible fruit originating from South America.

Dosage: 3.0%
pH range: > 5.2

INCI Name:
Annona Cherimola Fruit Extract

AnnonaSense CLR™
is preserved with
sodium dehydroacetate and
phenylpropanol.
